

# 800!

The **IntoUniversity** Supplementary Schools Team, **Shamiso and Alisha**, have seen **over 800** Supplementary School students in the last **2 years!** A huge thank you to **Sharikatul Hussain Saturday Workshop in Leicester**, who made our **2015-2016** numbers reach **450!**

**Project Manager: Shamiso Lewis**

**Project Worker: Alisha Kanabar**

## Where are we now?

With over **800** students attending the **Higher Education in FOCUS** programme in the last two years, it has been an incredibly exciting time at **IntoUniversity** Supplementary Schools Project, based in London.

Since **January** we have worked with Supplementary Schools across the country including Milton Keynes, Leicester and Leeds, with almost **250 students** taking part in our H.E. in FOCUS programme. As a result of this, we have been lucky enough to have visited a whole host of fantastic universities including **De Monfort University, Kingston University, Brunel University and Kings College London.**

A huge thank you to all of the **Universities, Supplementary School teachers, parents and students** who have made this happen. It has been a truly fantastic time, and we have enjoyed every second of it.

## What's next?

Over the next few months, we will be working with Supplementary Schools and universities in **Bristol, Nottingham and Manchester.**
