

## Happy Holidays from the IntoUniversity Supplementary Schools Project!

### Higher Education Newsflash:

**University of Cambridge** voted No 1 in the UK: View the **Top 10 UK Universities** [here](#) and also find out **why Leicester University** is going to offer US style **flexi degree courses** from September 2016!

**Trips to your local university with the Supplementary Schools Project team:**

*Students from Peace Supplementary School graduating at Middlesex University*

Supplementary Schools all over London have been taking part in the Higher Education in Focus programme, with visits to the University of London, Westminster and Middlesex University. The trips have been a huge success and students have reported an increase in:

1. **Knowledge** and **awareness** of Higher Education
2. Motivation to achieve **educational goals**
3. Increase in **confidence levels**

Supplementary School teachers and parents, who have joined their students on the trip, have been invaluable, making the day even more memorable and fun! Thank you to all.

*Students from Willesden School taking part in the 'What is a University?' workshop at Westminster University*

Trips in the New Year include schools in Leicester, Leeds and London!

### IntoUniversity Teacher Training sessions:

IU Supplementary Schools Project team are delighted to introduce a range of **new teacher training sessions for all Supplementary**

### School teachers.

Available in the new year, our team will be offering sessions

on learning techniques, classroom management and differentiation- to name a few! Call the team to book a **free** teacher training session.

### IntoUniversity Teacher Toolkit Videos:

Our bespoke Teachers' Toolkit on Higher Education can be used in your Supplementary School. The toolkit provides lesson plans to deliver to your students which are tailored to help raise knowledge and awareness of Higher Education in your school. The team here have been busy creating videos to accompany the toolkit which will be available in the **New Year** for you to show to your students. Access the Teachers Toolkit [here](#).

There are still dates available for your school to attend the Higher Education in Focus programme! Give the team a call on **0208 885 2048**.

From the IU Supplementary Schools Team
