

It's time for summer!

The British Museum: Special event for Supplementary Schools on Saturday 25th June

To celebrate the contributions that refugees make to our society the British Museum are holding a free special event for all Supplementary Schools. With guided tours, exciting workshops and much more it's an unmissable event! RSVP (name of your school and amount of children) to Wendy Wang at: AWWang@britishmuseum.org

End of Year 2 of the IntoUniversity Supplementary Schools Project

As we enter the summer months, we are also coming to the end of the second year on the project. With one delivery left in Manchester, we finish the second year with great memories from Supplementary Schools and Universities across the country.

Some of the highlights include:

- Working with schools and universities in 8 different cities
- Informing and inspiring young people and their families about Higher Education
- Building relationships and working in collaboration with a vast range of people in the Supplementary Education sector all over the UK

We have an exciting third year ahead with new resources; including new university partnerships, activities for students, teacher training sessions and parent information sessions.

Our project has three parts, including:

- The Higher Education in FOCUS programme- for students
- Education information sessions – for parents
- Higher Education Teacher Training- for teachers

*All programmes are free of charge
